At Northwest Christian School our program provides a safe and nurturing Christian environment that promotes the physical, social, emotional, and cognitive development of young children.

Our facility is secure with locked doors during school hours. Students and staff stay prepared by having monthly fire drills and quarterly disaster drills.

Our ratios are 10 students to 1 teacher with a group size of up to 20 students. We serve children who are fully potty trained ages 4-5 years old.

We offer options to accommodate the needs of most families. You can choose from 3, 4, or 5 days a week with the option of full days (8:15-3:15) or half days (8:15-12:15). Before school care (open at 7:00 a.m.) and after school care available for an additional fee.
