Inclement Weather Reminder

Please remember that we follow the lead of the Puyallup School District on late arrivals and closures due to weather.

The only reasons we would deviate from that is if we have a number of staff that cannot make it in or if Puyallup Schools have a prescheduled late start already planned.

Please watch for texted parent alerts (*see below*), an email, our Facebook page, as well as checking our website. We will post the information as soon as it becomes available from the school district.

There is no before school care or hot lunch on late arrival days.

If you would like to receive emergency notification texts from Northwest Christian School, please go to your Jupiter account, click on the 4 lines at the top left of the page, click settings and choose your notifications.

We will only text if there is an emergency, such as school closure, closed roads, etc.

Dear Northwest Christian School Families,

Happy New Year!

It was exciting welcoming the students back to school this morning on their first day of schooling in 2024! This Friday, NCS will be welcoming another group of students, this time from South Korea. We are very excited to once again host students for the NCS Short Term Winter program, an annual cultural exchange that was shut down by the pandemic in 2020.

This will be a very busy semester for the staff and administration, as this spring, the school will be processing through accreditation, as well as pursuing high reliability school certification at level two. Accreditation occurs every six years and involves a comprehensive process of validating the schools programs, processes, and procedures. A visiting committee of educators will be on our campus April 8-9 as they conduct the formal review process. It is always exciting to showcase our school and deeply validating when receiving high levels of accreditation.
